Press Release

## **Concerns of legislation on single dispensing errors addressed**

APTUK  
Diamond Jubilee

APTUK have welcomed the opportunity to work with other stakeholders towards the decriminalisation of single dispensing errors.

APTUK have been involved in the discussions leading to this announcement. To this end APTUK support the statement generated by the MHRA and this is published for the benefit of our members.

Steve Acres, APTUK President said “This is a step in the right direction in allowing Pharmacy Technicians to work without fear of prosecution from a single dispensing error”
